#1096 A weekly bulletin for residents of Auroville 11 September 2025

Photo by Alexey

What is the most important moment in life? The present moment.
For the past no longer exists and the future does not yet exist.
Mother, Words of the Mother

Pondering

Memory, in the dividing consciousness, is a crutch upon which mind supports itself as it stumbles on driven helplessly, without possibility of stay or pause, in the rushing speed of Time... The one thing which is not a device is its direct self-consciousness in the present moment.

House of Mother's Agenda

(continued from last week)

The Immanent shall be the witness God
 Watching on his many-petalled lotus-throne
 His actionless being and his silent might
 Ruling earth-nature by eternity's law,
 A thinker waking the Inconscient's world,
 An immobile centre of many infinitudes
 In his thousand-pillared temple by Time's sea.
 Then shall the embodied being live as one
 Who is a thought, a will of the Divine,
 A mask or robe of his divinity,
 An instrument and partner of his Force,
 A point or line drawn in the infinite,
 A manifest of the Imperishable.
 The supermind shall be his nature's fount,
 The Eternal's truth shall mould his thoughts and acts,
 The Eternal's truth shall be his light and guide.
 All then shall change, a magic order come
 Overtopping this mechanical universe.
 A mightier race shall inhabit the mortal's world.
 On Nature's luminous tops, on the Spirit's ground,
 The superman shall reign as king of life,
 Make earth almost the mate and peer of heaven,
 And lead towards God and truth man's ignorant heart
 And lift towards godhead his mortality.
 A power released from circumscribing bounds,
 Its height pushed up beyond death's hungry reach,
 Life's tops shall flame with the Immortal's thoughts,
 Light shall invade the darkness of its base.
 Then in the process of evolving Time
 All shall be drawn into a single plan,
 A divine harmony shall be earth's law,
 Beauty and joy remould her way to live:
 Even the body shall remember God,
 Nature shall draw back from mortality
 And Spirit's fires shall guide the earth's blind force;
 Knowledge shall bring into the aspirant Thought
 A high proximity to Truth and God.
 The supermind shall claim the world for Light
 And thrill with love of God the enamoured heart
 And place Light's crown on Nature's lifted head
 And found Light's reign on her unshaking base.
 A greater truth than earth's shall roof-in earth
 And shed its sunlight on the roads of mind;

A power infallible shall lead the thought,
 A seeing Puissance govern life and act,
 In earthly hearts kindle the Immortal's fire.
 A soul shall wake in the Inconscient's house;
 The mind shall be God-vision's tabernacle,
 The body intuition's instrument,
 And life a channel for God's visible power.
 All earth shall be the Spirit's manifest home,
 Hidden no more by the body and the life,
 Hidden no more by the mind's ignorance;
 An unerring Hand shall shape event and act.
 The Spirit's eyes shall look through Nature's eyes,
 The Spirit's force shall occupy Nature's force.
 This world shall be God's visible garden-house,
 The earth shall be a field and camp of God,
 Man shall forget consent to mortality
 And his embodied frail impermanence.
 This universe shall unseal its occult sense,
 Creation's process change its antique front,
 An ignorant evolution's hierarchy
 Release the Wisdom chained below its base.
 The Spirit shall be the master of his world
 Lurking no more in form's obscurity
 And Nature shall reverse her action's rule,
 The outward world disclose the Truth it veils;
 All things shall manifest the covert God,
 All shall reveal the Spirit's light and might
 And move to its destiny of felicity.

SAVITRI BHAVAN SCHEDULE

September 2025

Exhibitions

- **Meditations on Savitri:** A painting exhibition of 472 paintings created by the Mother with Huta from 1961—67 is on display in the picture gallery
- **A Bilingual Exhibition on 'Sri Aurobindo:** A life-sketch in photographs' with texts both in English and Tamil is displayed in the upper corridor
- **Glimpses of the Mother:** Photographs and texts in the Square Hall

Films: Mondays, 4pm

- **15 September: Sri Aurobindo's "The Mother", Chapters 1, 2 and 3, read by The Mother**—In his book *The Mother* Sri Aurobindo expressed the essence of the Integral Yoga. He wrote: "There are two powers that alone can effect in their conjunction the great and difficult thing which is the aim of our endeavour, a fixed and un-failing aspiration that calls from below and a supreme Grace from above that answers." Duration: 33min.

And Sri Aurobindo cautioned and explained further: "But the supreme Grace will act only in the conditions of the Light and the Truth; it will not act in conditions laid upon it by the Falsehood and the Ignorance. There must be a total and sincere surrender; there must be an exclusive self-opening to the divine Power; there must be a constant and integral choice of the Truth that is descending, a constant and integral rejection of the falsehood of the mental, vital and physical Powers and Appearances that still rule the earth-Nature. The surrender must be total and seize all the parts of the being."

And he gave the advice: "Always behave as if The Mother was looking at you; because she is, indeed, always present."

The essence of the Integral Yoga and his advice to consider carefully that The Mother is always present could be even better understood with Sri Aurobindo's statement about the Supreme Divine Mother's work and role in his *Record of Yoga*: "All is created by the Supreme Goddess, the Supreme and Original Mahashakti, all proceeds from her, all lives by her, all lives in her, even as she lives in all. All wisdom and knowledge are her wisdom and knowledge; all power is her power, all will and force her will and force, all action is her action, all movement her movement. All beings are portions of her power of existence."

In the publication *The Spiritual Significance of Flowers*, the White Lotus flower is explained as "Aditi—the Divine Consciousness—Pure, immaculate, gloriously powerful".

And one of the names of the Supreme Divine Mother is Aditi. So, the White Lotus flower is the Supreme Divine Mother's symbol.

The text of "The Mother" read by The Mother is illustrated with the pictures of The Mother and the Ashram, *The Spiritual Significance of Flowers*, and paintings by Usha R. Patel, accompanied by Sunil's music and The Mother's organ music. Produced in 2006 by Sri Aurobindo Ashram.

- The film is followed by **Adoration of the Divine Mother**—A small film with the self-portrait by The Mother. Duration: 5min.
 - 'The Mother' by Sri Aurobindo in Her Voice—Chapter 1, by AuroMaa is [available on YouTube](#).
 - **22 September: Sri Aurobindo's "The Mother", Chapter 4 and 5, read by The Mother**—Chapter 4 is about money as the visible sign of a universal force which belongs in the origin to the Divine; Chapter 5 describes the processes to be a true doer of divine works and become an instrument of the Divine Shakti. Duration: 27min.
- Followed by Durga surrenders to the Supreme**—The Mother speaks about Durga Puja days and Durga's surrender to the Supreme. Duration: 12min.
- **29 September: Four Great Aspects of The Mother—Maheshwari, Mahakali, Mahalakshmi, Mahasaraswati**—In this film The Mother reads the texts from "The Mother—Chapter 6" by Sri Aurobindo. Duration: 52min.

PAVILION OF TIBETAN CULTURE: EXHIBITION on Dalai Lama and Auroville—Three Memorable Visits (1973, 1993 & 2009)

On the occasion of the 90th Birthday of His Holiness the Dalai Lama, the Pavilion of Tibetan Culture presents an exhibition on "Dalai Lama and Auroville—Three Memorable Visits (1973, 1993 & 2009)"

- **Open every day except Sunday.**

Starting right from Auroville's inauguration day in 1968, when soil of Tibet was put into the urn by a young Tibetan girl, continuing in 1971, when the Mother took 12 Tibetan children into the Auroville school and in 1973 when the Dalai Lama spent two days in Auroville and Pondicherry (on January 17, he met the Mother in the Ashram), the exchanges between the community of Auroville and Tibetans have been frequent and regular. In December 1991, the Pavilion of Tibetan Culture became a unit of Auroville Foundation through a resolution of the Governing Board under Dr Karan Singh and Dr Kapila Vatsyayan, the famous Art and Tibetan scholar.

In January 1993, His Holiness agreed to be the Patron of the Pavilion. Later in the year, he came to Auroville to lay the Foundation Stone of the Pavilion and in January 2009, he returned to inaugurate the building.

I appreciate the development occurring constantly
 I pray this place will be of immense benefit to others.

In this process, we'll delve into the psychological roots of the Metacrisis and inquire into what the Mahabharata can teach us in the journey towards Collective Evolution.

BOOK GIFT AND LETTER from Patrick Beldio, Scholar

Having met Patrick in a multidisciplinary, international research work at Vienna University, he offered his latest book to the Auroville Library, with this accompanying letter:

To the Auroville Library and Community,

It is with the spirit of humility and hope that I offer this book to the Auroville community who continue to strive, in many ways, to realize the Mother's vision.

The path of collective life is never simple. Auroville, like any living experiment, bears its share of tensions and trials. But it also carries within it a rare and precious aspiration — one that Mother herself named: the aspiration to live for the Divine, to grow in consciousness, and to forge a new way of being human on this earth.

My hope is that this book may be of some use—a small offering toward that deeper becoming. It was written in the spirit of CONSECRATION, and with reverence for the Mother's ceaseless labor on behalf of both the individual and the world.

May it serve those who are listening, questioning, and opening to Her, and to the Work that continues.

With sincere respect, Patrick Beldio (Author)

INVITATION

to Integral Education Practitioners Gathering—6 (IEPG-6)

25—27 September in Auroville

SAIER warmly invites one representative from each Auroville unit/ service/ working group to participate in the upcoming **Integral Education Practitioners Gathering—6 (IEPG-6)**, to be held in Auroville from Thursday, 25 September to Saturday, 27 September 2025.

IEPG has grown into a shared platform for dialogue, reflection, and collective learning among educators and practitioners across Auroville. Its purpose is to deepen our understanding of **Integral Education** and to create occasions for all of us to step out of our silos and meet around the central aspirations of Auroville. It is an effort to bridge the practical day to day challenges we face in our works, the little discoveries we make, with our very highest ideals and the *raison d'être* of Auroville.

This is an invitation for individuals from the various units/ services/working groups of Auroville to join us in the exploration of Auroville Charter's proposition of '*an unending education & constant progress*'.

We request that the nominated member:

- Is someone associated with your unit/ service/ working group over the long term, carrying experience and continuity in its work.
- Is an Aurovilian, Newcomer or long term contributor, committed to engaging with the ideals of The Mother and Sri Aurobindo.
- It is important that the nominated member commits to attend the 3 full days of the gathering.

The gathering this September will carry forward the central theme: "**Research in Auroville—The Quest and the Context.**" This theme is central to all activities and actions in Auroville, and thus, the invitation to the wider community through the units/services/working groups.

The IEPGs happen twice a year, in July and September, and each time gather around 120 participants. We start the mornings all together to look at the topic of Research in the context of Auroville, we then split up into smaller groups for collective explorations of Mother and Sri Aurobindo's works, discussions and activity based workshops in which we may discover new approaches to a particular craft or discipline, and interact with aspirants of Auroville we rarely meet otherwise.

This edition we wish to explore how research manifests not only in schools and formal education spaces but also in diverse domains of Auroville life—art, ecology, health, technology, economy, organization etc.

Your participation will add richness to this exploration and help weave the cultural and educational fabric of Auroville with greater wholeness. We sincerely look forward to your presence and contribution at IEPG-6.

At this gathering we have only 25 seats allocated in this category on a first come first serve basis.

- **To register** your interest, write to us at the earliest on saiier@auroville.org.in.

Together, let us concentrate around the questions of why we are here, and how we may do our work, with an attitude of increasing simplicity, joy and consecration.

Animal Care

UPDATE FROM DR. KUMAR

with past and present for Dog Shelter

I would like to inform about the Auroville dog shelter, past and present.

I came to Auroville in 1995. Dog shelter was called "Dog Sanctuary" started by Ann and Merry in the place of the now Parking area for visitors. I worked there and did Sterilizations in the keet-roof Shed.

Ann had her house in the place of the now existing Dog shelter. After Ann passed away, Njal (Rita's partner, Center Field) took charge of the Dog Sanctuary and changed the name to Integrated Animal Care.

On request of the Auroville administration, Dog sanctuary transferred to the place of Ann's house which is now called "Dog shelter".

I was a Newcomer at that time and the house in which Ann had lived was given to me. There was break-in, and I lost some of my things. As there was no housing nearby, only open fields, I moved to Aranya community for better security.

From the start in 1995 till today I have been aware of what is happening in terms of dog care in Auroville. I have never worked outside or in government. For almost 20 years living an Aurovillian life, without maintenance and recognition for my service, because of few people who have been against me. I am surviving on my private practice in the community. Currently I am living in Promesse in a house with leaking cement-sheet roof.

I made requests to work as veterinary doctor in Dog shelter under Peter and Kannan and now with existing group Arthur and Tine. I have not been accepted due to complex politics (and instead, they presently have two external veterinary doctors getting salaries at 40,000 Rs. per month).

I promise to do all I can to support the well-being and care of beloved dogs.

PHOTO EXHIBITION BY SATTVA

Little Creatures & Birds in our Backyard

Extended till 19 September, Monday to Saturday

8:30am—12pm and 2:30—5:30pm, @ Pitanga

"I would like to welcome everyone to this combined exhibition of two separate photo series—'Little Creatures' and 'Birds in Our Backyard'.

I'm a seventeen-year-old amateur photographer and my work mostly covers Nature, Culture and Community Life.

The first four years of my life were spent right here in Auroville before I moved with my family to a sustainable farming community outside of Tiruvannamalai where I currently live.

Over the years I've been inspired by the natural beauty of both places. Immersion in the intricacies of the natural world from an early age fuelled in me an avid interest in ecology, conservation and birdwatching. These interests have had a profound impact on me, and one of the ways I engage with them is by using photography as a medium through which to explore and share facets of the wonderfully wild world around us.

These twenty-four moments frozen in time aim to bring our attention back to dramatic, beautiful and sometimes alien scenes that play out largely unnoticed around us!

I hope you enjoy them." *Sattva*

"Two photo series that present an intimate look at the natural world around us. Familiar yet alien; beautiful, dramatic & delicate."

TOGETHER BY P. SARAVANAN

5—24 September @ Centre d'Art Auroville

- Tuesday—Friday, 2—5:30pm
- Saturday, 10am—12:30pm, 2—5:30pm
- Morning by appointment
- Opening on Friday, 5 September, 4:30pm

"My paintings are filled with people, simple folks yet very colorful beings, who are only bothered in the moment but also celebrating the small gifts from nature and god, in every fleeting moment.

I live near the sea and hence my paintings usually describe small hamlets near the sea or the fishing villages. I use bold colours, mainly the vivid yellows, whites, blues, reds and oranges to fill the people. I try to blend the harmony between man and nature in all my works.

I am a loner, working in my home cum studio, recalling all the images from my cultural space. I do not have knowledge on theories or the different school of thoughts, but my work, as critics say, is original and instinctive.

I feel motivated when people find joy in my paintings and I recreate the same theme in a hundred different ways, the girl kissing a cat, or chasing geese or the fisherwoman and the fish all merging together to make a small world. The world around me, the world I believe in." *P.Saravanan*

MAJI Maroma, Aspiration street, Kulapalayam, Auroville

8 September to 18 October '25

Gayatri Gamuz and Supriya Menon Meneghetti's artworks feature the common thread of being influenced by nature, balance and the understanding that a moment of stillness can reveal the clarity of a thousand thoughts. There is an emphasis on the act of creation itself, which allows for interpretation and invites the viewer to experience the work in a deeply personal way.

SURYA PERFORMANCE LAB PRESENTS: DARSHAN

12, 13, 14 September—7:30pm @ CRIPA

Darshan blends dance-theatre and visual arts.

It tells the story of a metamorphosis: that of a young sensitive man who has suffered bullying and remains trapped in his trauma. Out of breath, lost in darkness and totally isolated, he finds his way back to his own light, to his true nature and to the Cosmos.

The show invites the creative maternal principle, and the invisible forces that accompany metamorphosis.

It offers a hypnotic journey, a sensory and poetic experience in which vulnerability is transmuted into strength.

It explores themes of resilience, identity, and the redemptive power of unconditional love.

"Even in the abyss of night, he saw the flame."

3 days Intensive Permaculture Weekend Workshop

- View schedule and book here: <https://solitude.farm/workshop/>

Join us on a road back to nature with this intensive and hands-on workshop that will empower you to start growing your own food and gain insight into knowing where your food comes from. Explore the principles of permaculture; mulching, rotations, intercropping, understand the steps to create a food forest, start a nursery, make your own soap and recycle your waste water, learn about seed saving and lots more.

Mini Permaculture Workshop

- Please email us: solitudepermaculture@gmail.com for the booking.

We offer mini permaculture workshops as private bookings for the group size 4 + participants. Duration: 2 hours. The group can select any workshop module mentioned below.

- Introduction to permaculture through local food:** Solitude Farm is a true example of Masanobu Fukuoka's philosophy in practice—a road back to nature through eating local food. In this workshop explore the wide diversity of plants that grow around us, their countless benefits, and delectable taste and even learn how to make your own vegan sushi, salad and coolers!
- Handmade Soap-Making:** By revaluing papaya seeds, neem flowers and soursop leaves, create your own natural soap and recycle waste water to grow your own food. We'll show you how to pack your soap in banana leaves and inspire you to cut out packaging with simple, creative ideas. The soap is yours to take away!

THINKING ALOUD: Philosophy Collective Needs Philosophy Group Meetup

Ever stared into the existential void and wondered, "What is this consciousness thing all about?" You're not alone. Your local Philosophy Collective launches September 20th, and we're seeking minds brave enough to wrestle with reality's gnarliest puzzles—sans dogma, sans delusion.

We're starting with Yale's legendary Philosophy of Death course—not because we're morbid, but because mortality concentrates the mind like nothing else. (Plato wasn't kidding when he called philosophy "practice for dying.") Here's how it works:

- **Absorb** Prof. Kagan's razor-sharp YouTube lectures on your schedule
- **Study** Read the course material without SparkNotes
- **Discuss** with fellow thinkers who actually listen before responding

No podiums. No grandstanding. Just 90 minutes of conscious beings attempting to discern whether death constitutes evil, whether identity transcends form, or whether immortality serves evolution's intent. Bring your skepticism, your curiosity, and your willingness to have your best ideas dismantled before coffee break.

Opening inquiry: "If individual existence ceases, what aspect of consciousness experiences loss?" (The response reveals more than anticipated.) Join our WA Group for further details. All sincere explorers welcome—including those drawn to soul-theories. (Someone must represent that perspective in our collective investigation.)

- To join the WhatsApp group: Use QR code.

UNDERSTANDING THE ROLE

of the Government of India in Auroville

Here is a [video recording of a public speech](#) on February 2022:

Government of India participant speakers:

- His Excellency Ravindra N. Ravi, Honourable Governor of Tamil Nadu and Chairman of the Governing Board of Auroville Foundation
- Shri Vishal V. Sharma, India's Ambassador/Permanent Representative to UNESCO

Members of the current Governing Board of Auroville: <https://auroville.org/contents/1262>

Addendum to the YouTube description as of 1 August 2025:

Here Sri Aurobindo elucidates and makes sense of the unfolding Divine Play, specifically the distinctness of Mother India and Her people. This to also understand that the paradigm-shifting Supramental Vision-Goal behind Auroville can only happen in Mother India.

Just snippets below... best to carefully read it all:

"The true nature of the Indian polity can only be realised if we look at it not as a separate thing, a machinery independent of the rest of the mind and life of the people, but as a part of and in its relation to the organic totality of the social existence. ...

But in the actual condition of humanity..."

ACTIVITIES BY VALLARI @ TIBETAN PAVILION

An Introduction to Vipassana Meditation

- Saturday, 13 September, 10—11am @ Tibetan Pavilion Auroville

Discover the Path of Inner Clarity and Peace

Join us for a one-hour session designed to introduce the practice of Vipassana meditation. Vipassana means "to see things as they really are". It is a profound method of self-observation that cultivates insight, emotional balance, and deep inner transformation.

This introductory gathering will offer:

- A clear overview of what Vipassana is and how it differs from other meditation styles
- Reflections on the purpose and benefits of the practice—from reducing mental clutter to fostering equanimity and compassion
- A walk-through of the process taught in 10-day retreats
- Practicing Anapana, the first step of Vipassana Meditation
- Space for Q&A where you can ask questions, share reflections, or simply listen

Whether you're curious or already exploring meditation, this session welcomes all with open hearts and open minds

Anapana: Mindfulness Meditation

- Saturday, 13 September, 11am—12:30pm Age 10 onwards @ Tibetan Pavilion Auroville

To learn and practice a simple meditation technique focused on observing one's own natural breath. "Anapanasati" meaning "mindfulness of breathing".

This session is specially designed for children, ensuring that they grasp this technique with ease. With so much that is offered to children being based on materialism and the quest for instant gratification, Anapana provides a much needed method of getting in touch with their minds and a way to deal with one's daily stress, fears and anxieties.

Regular practice of Anapana has proven to give many benefits ranging from improved concentration and memory, increased alertness of mind, increase in self confidence. With a decrease in anxiety, fear and nervousness and the mind becoming healthy and strong.

Woga® (Yoga in Water) Class with Tamara

- Saturday, 13 September, 4:30—6pm
- **Prerequisites:** no previous experience required, also no need to know how to swim!

Yoga in water is based on classic yoga poses and stretches, modified for standing in pool water, which is waist-to-chest high. Classes are structured like their yoga equivalents on land: breathing, warm-up exercises, a series of poses, and a relaxation period. The difference is that you are in a warm water pool (35°C).

The substantial decrease of gravity in warm water allows greater ease of movement, unblocks articulations, lengthens & melts muscles, and removes negative tensions, thereby preventing stress, insomnia and anxiety.

OBA 1—Fluid Body with Fred

- 14—19 September, 8:45am—6:30pm, 50 hours
- **Prerequisites:** OBA Basic or WaterDance Fundamental or Watsu 1 or Healing Dance 1.

In this 50-hour OBA course, we will continue to approach water in a playful, friendly and secure way. You'll build upon the basic movements you already learnt in OBA Basic and further explore the various techniques of this wonderful aquatic bodywork. You'll learn the three phases of an OBA session: working on cushions and floats and working both on the surface and under water. Upon completion of this course, you'll have acquired enough material to offer a basic OBA practice session to family and friends.

Woga® 1 & 2 (Yoga in Water) with Dariya

- 20—21 September, 8:45am—6pm, 12 hours
- **Prerequisites:** No previous experience required (also no need to know how to swim).

Woga is a combination of two words: water and yoga. It is based on classic yoga poses and stretches, modified for standing in water that is waist-to-chest height.

Woga focuses on Hatha Yoga in water, including asanas performed in standing position, against the wall, in floating position, and under water. The course also includes pranayama and meditation. Classes follow a structure similar to land-based yoga: breathing exercises, warm-ups, a series of poses, and a relaxation period.

By reducing the effects of gravity, water allows ease of movements, unblocks joints, lengthens and relaxes muscles, alleviates negative tensions, and prevents stress, insomnia and anxiety.

Woga® (Yoga in Water) Class with Ellie & Sheida

- Monday, 22 September, 4:30—6pm
- **Prerequisites:** no previous experience required, also no need to know how to swim!

Yoga in water is based on classic yoga poses and stretches, modified for stand-

ing in pool water, which is waist-to-chest high. Classes are structured like their yoga equivalents on land: breathing, warm-up exercises, a series of poses, and a relaxation period. The difference is that you are in a warm water pool (35°C).

The substantial decrease of gravity in warm water allows greater ease of movement, unblocks articulations, lengthens & melts muscles, and removes negative tensions, thereby preventing stress, insomnia and anxiety.

Watsu® 1 (Transition Flow) with Dariya

• 23—27 September, 8:45am—6pm, 34 hours

• **Prerequisites:** Watsu Basic.

In this 34-hour course, you'll learn to connect the basic movements and positions you've learnt in Watsu Basic with long, gracefully flowing transitions.

You will also learn to adapt this bodywork to people of different sizes, shapes, and dispositions, and to adjust your own body mechanics in order to support and move each person as effortlessly as possible.

By the end of this course, you'll have learnt the complete Watsu 1 sequence for practice sessions till you feel ready to move on to Watsu 2.

Watsu® Yoga Round with Tamara

• Monday, 29 September 3:00—6:30pm

• **Prerequisites:** no previous experience required, also no need to know how to swim!

Watsu Yoga Round is a powerful tool for deep relaxation and inner peace. It focuses on listening to the body and being present, offering a way to reconnect with your heart and experience an inner silence that is fully alive and vibrant.

When immersed in warm water during the Watsu Yoga Round, the body is free from the effects of gravity. The flow of movements and stretching, alternated with moments of stillness, invite progressive well-being: body and mind become free to dance!

OBA 2—Aquatic Body with Fred & Dariya

• 30 September—5 October, 8:45am—6:30pm, 50 hours

• **Prerequisites:** OBA 1.

Building on the experience of OBA 1, this course allows you to deepen your practice while using neck and knee cushions and exchanging various new underwater techniques that are deeply relaxing and energizing.

We will discuss the body's water balance in relation to warm water and delve into the benefits and contraindications of the OBA 2 techniques.

Integration of the water experience and background knowledge are taught through both theory and practice. **Guido**

Classical Visceral therapy is an ancient technique of working with the abdomen: palpation and manual pressure on internal abdominal organs for their stabilisation, improving bile, blood and lymph flow, removing spasms/adhesions, improving metabolism, immunity, general health.

Naturally abdominal area should be soft and absolutely painless, but over time the abdomen becomes tense which is reflected on the duration and quality of your life.

- **Beginners welcome! Tuesdays 5:30—7pm**

This month, we'll focus on building a strong foundation by exploring the essential tools of the practice—including Breath of Fire, Mulabandha, and the beginning and ending mantras that anchor each session.

Kundalini Yoga is more than just movement—it's a powerful way to reconnect with your inner joy, awaken your energy, and return to a sense of balance and clarity in daily life. Whether you're completely new or returning to your mat, these classes are designed to support your journey from the very first breath.

Sound Healing Therapy with Singing Bowls with Gaspard

This holistic approach is inspired by ancient traditions and modern science recognizing human beings as deeply connected to the rhythms of the cosmos. The Tibetan singing bowls used in this practice are tuned to planetary frequencies, allowing deep physical and mental relaxation.

Each session aims to harmonize the subtle bodies and chakras, while relieving emotional tension.

This gentle yet powerful method can complement any medical or therapeutic treatment. It is especially beneficial during times of crisis, stress, or transition, helping restore inner peace, clarity, and balance.
