SWIMMING CLASSES WITH MANI

In this evolving eternal Now
In this Supramental Age
With many co-selves
Breaking out
From the mental cage
Experimenting on new ways
For our Psychic rebirth,
Not anymore an animal birth,
But the direct awakening
Of our cells and atoms instead.
Soon on Earth
A Life Divine.

POETEA
Cows never hurry
Walk or milk

Two pairs of eyes
Lock gazes

“Will you come in?
Or shall I get out?”

I ask the cow
Across gate and fence

I chase cows out of fence
And welcome them into my heart

Piles of cow dung
Excretions of the past
Abundant compost
For a new dawn

A herd of cows
On the road

Time to slow down
And snail the way back home
Amid bodies of light and might

Anandi Zhang

THE RENDING OF THE VEIL
Thus the illusion
Of separation,
The false mental projection
That one is separate
From the play of opposites,
Is what one sees after
The rending of the veil,
The Veil that is
The Ignorance
Born from mind.

“Neti neti”
I am not this nor that
Is only the first stage
Of realisation
That you are That:
Tat Tvm Asii.
When you come back
Laughing out loud
To your own play,
This then you can say:

“lii iiti”
I am this and that,
Aham Brahmasmi,
However still self-limited
In The Great Cosmic Game
You have initiated.
And Your Divine Play
Continues on unabated
Where We find
Our Ones without seconds
**VIBRATIONAL SOUND BATH:**

Past and present life

Session in integral regression therapy with Sigrid Lindemann

Explore and transform past imprints to live centered in your present moment. Unsolved questions and repeated behaviour, as well as unexplainable affinities may point to early childhood memories or past life experiences being active in your space today.

If you are ready for change, take off on a vision journey diving into your experience and find healing with deep release and re-evaluation of conclusions, and get to the wisdom of NOW.

Yes, its possible – through your own inner journey, with skilled yet unobtrusive facilitation.

Sigrid Lindemann, faculty and practice of “integral regression therapy” and hypnotherapy, trained in transpersonal regression therapy (tasso.ekaa.in), trauma therapy, and faculty in classical homeopathy “Sensation Method”

Woga (Yoga in Water) Classes with Maggie

Monday 4, 18 & 25 April 2022, 4 – 5:30pm

Yoga in water is based on classic yoga poses and stretches, modified for standing in pool water, which is waist-to-chest high. Classes are structured like their yoga equivalents on land: breathing, warm-up exercises, a series of poses, and a relaxation period. The difference is that you are in a warm water pool (35°C).

The substantial decrease of gravity in warm water allows greater ease of movement, unblocks articulations, lengthens & melts muscles, and removes negative tensions, thereby preventing stress, insomnia and anxiety.

No previous experience required (also no need to be able to swim)!
KaHuna Massage Training with Claudia & Sang

- **Basic Course**: Wednesday 6 – Sunday 10 April, 50 hours
- **Intermediate Course**: Wednesday 13 – Sunday 17 April, 50 hours
- 8am – 8pm (lunch & snacks included)

KaHuna is an ancient massage technique, which originated in the South Pacific. KaHuna body workers use their hands, as extension of the heart, as well as forearms and elbows in long fluid strokes, while performing traditional dance steps. Dance work or hula movements, combined with the breath work of the practitioner are also important and form an integral aspect of KaHuna. The movements are important to assist the energy flow both within the practitioner and the recipient.

The training consists of two 5-day courses during which you’ll learn the magic of KaHuna in the beautiful surroundings of the Quiet Healing Center. The basic course includes Meditation and Yoga, Chantings and Prayers, Huna philosophy, traditional Hula dance steps, and lots and lots of massages. The intermediate course is a continuation of KaHuna Basic. We’ll focus on new techniques such as Polynesian floor work, under-body work, deepening of the Huna philosophy, and much more.

You can attend only the basic course, if you are not able to join both!

Residential Retreat: Liquid Flow Essence with Dariya & Daniel

**Friday 8 – Thursday 14 April**

Starts on first day at 8:45am and ends on last day at 6pm

Prerequisite: Watsu Basic & OBA/Liquid Flow Basic

Liquid Flow is an aquatic bodywork modality given in a warm water pool (ideally 35°C). Developed at the Quiet Healing Center, Liquid Flow is inspired and based on the forms and qualities of Watsu, OBA, Healing Dance, and WaterDance.

This intense course with the main Liquid Flow sequence is for students of different aquatic bodywork modalities, who wish to dive deeper into their practice. In combination with practices on land, you will experience the profound effects of this powerful, yet softening, water work.

**Liquid Flow Essence** is the favorite elective of many students. Inspired by different aquatic bodywork modalities, it offers a wonderful new sequence of essential mobilization possibilities in a flow with ease and continuity. Together with a deepening presence and unconditional holding, this course improves your therapeutic work and leads towards the essence of any aquatic bodywork: being deeply in touch with one’s essence, and experiencing a sense of timelessness and connection to ALL.

To make it an even deeper experience, this course is exceptionally offered as a **residential retreat**, so that all participants will stay on the premises without needing to leave the center during those 7 days.

Birenda Massage Course with Jean-Louis & Sivacoumar

**Thursday 21 – Sunday 24 April & Saturday 30 April – Sunday 1 May, 36 hours**

9.00 am – 5.00 pm (lunch included)

Birenda massage is a soft and profound wellness therapy, which leads the client into a state of deep relaxation in which the body is fully felt and experienced. At the same time, it provides an inner journey within oneself during which energy blockages and tensions are revealed, so that they can be recognized, released and transformed.

Birenda, a Bengali with 50 years of experience, developed this massage therapy and transmitted his unique approach to Jean-Louis in person. Jean-Louis, who has been offering Birenda Massage over the past 25 years, has committed himself since several years to teaching this innovative body treatment to both beginners and experienced therapists in India and abroad. Sivacoumar has been working as a Birenda massage therapist for the past three years. During this period, he was personally trained by Jean-Louis to become a Birenda massage instructor and co-teaches this course together with him.

The course consists of 3 sections of 2 days each: the first part is dedicated to back massage; during the two other sections, you’ll learn how to massage the legs, arms, abdomen and front of the body. You’ll also learn how to prepare yourself before massaging a person, create a trusting relationship with your client, and offer relevant information afterwards. You’ll receive a manual with detailed instructions – both in text and color pictures – for practice on family members and friends. A certificate is provided upon completion of the full course.

SRI AUROBINDO’S UTTARPARA SPEECH
Monday, 4 April 2022, 4pm at Savitri Bhavan.
Duration: 33min.

On 4 April 1910 Sri Aurobindo took refuge in the French settlement Pondicherry. His inner guidance gave this advice to avoid the persecution of the British Government. This day and event are held in high esteem by devotees in the Ashram and in Auroville. And we honour this day by presenting a beautiful reading and recording of Sri Aurobindo’s Uttarpara Speech.

Sri Aurobindo’s Uttarpara Speech was first published in the Bengalee, an English newspaper in Calcutta, on 1 June 1909 and then thoroughly revised by Sri Aurobindo and republished in the Karmayogin on 19 and 26 June 1909. Later, it was included in Sri Aurobindo’s Tales of Prison Life.

The text of the Uttarpara Speech contains records of Sri Aurobindo’s various experiences in the Alipore Jail and detailed descriptions of his realisation of the Supreme’s presence and work in this world. It talks of how Vasudeva, Narayana and Krishna protected him and took care of him while he was in jail. Sri Aurobindo saw Him everywhere and in everyone: in the swindlers and murderers as well as in the Magistrate and the Prosecuting Counsel.

It was Sri Krishna who arranged for Sri Aurobindo to get the Gita in jail. It was He who taught him the central truth of the Hindu religion which is Sanatan Dharma, the universal and eternal truth, and that the Divine is in all men and things, and that in the Divine we move and have our being.

The Uttarpara Speech is a very special document about Sri Aurobindo’s experiences as an undertrial prisoner in Alipore Jail from 1908-1909, about his political work for India’s freedom and the inner guidance he received from his Master of Yoga. It also discusses the very essence of India and her mission in the world: to live and to bring the eternal wisdom of the Sanatan Dharma to humanity. For India, Sanatan Dharma is nationalism. It is the only religion which does not separate life from religion even in the smallest detail. It knows what immortality is and has totally canceled death. Sanatan Dharma is life itself.

The text of the Uttarpara Speech is read by Angad and the Divine presence of Sri Aurobindo is perceptible. The video produced by Savitri Bhavan is supplied with subtitles.

One can also see it on YouTube.

JOAN OF ARC, ODIN AND THE RENAISSANCE
The French Pavilion presents
Saturday, 2 April, 5pm, Town Hall – Cinema Paradiso
Documentary directed by Oleg de Normandie in French only, duration: 86 min

In this film we learn that the castles of the Renaissance, and François 1er himself were Odinic, an emancipatory religion which only fought against inquisitorial religions. The castles of Chambord, Chenonceau, Villandry and Fontainebleau, among others, are books of stone built by Odinic builders, descendants of the Odinic builders of Gothic cathedrals. The Valois kings since Charles VII, thanks to the help of Joan of Arc and her goths, were able to continue to reign, but it was on the condition that they re-accept Odinism as a religion and put an end to the ‘Christian Inquisition. Joan of Arc saved the Frankish kings, but above all France from freedom, Gallic and Odinic France.
